

Senior Research Assistant (Ref: 2400291)
Department of Mathematics and Information Technology

Project Title: The Cauchy Problem for Isothermal Euler Equations

[Appointment Period: around 2 months]

The appointee will be required to provide support to the research project, which includes but is not limited to conducting literature review, assisting in project coordination and administration, supporting data collection and data analysis, drafting papers and reports, as well as performing any other duties assigned by the Project Leader or his delegate(s). The appointment will be for a period of around 2 months.

Applicants should have a Master's Degree plus one year's post Master's degree full-time working experience, or a doctorate in Applied Mathematics with good communication skills. They should be highly proficient in both written and spoken English and Chinese. They should also be good team players, attentive to details, well-organized and self-motivated.

For further enquiries about the post, please contact Dr Yuen Man Wai at yuenmw@eduhk.hk.

Salary will be commensurate with qualifications and experience. Fringe benefits include leave and outpatient medical benefits.

The University only accepts and considers applications submitted online for the posts. Applicants should complete the [online application form](#) and upload a full CV. **Review of applications will start from 27 March 2023, and will continue until the post is filled.** Applications which are incomplete or without the required documents may not be considered. Personal data provided by applicants will be used for recruitment and other employment-related purposes. For details of the Personal Information Collection Statement, please refer to <http://www.eduhk.hk/jobsopp/index.php?glang=en>.

All applications will be treated in strict confidence. Only those who are shortlisted will be contacted. The University reserves the right not to fill the position(s) advertised.

Further information about the University is available at <http://www.eduhk.hk>.
