

Research Assistant I (Ref: 2400930)
Department of Early Childhood Education

Project Title: Exploring The Neural Correlates of Learning Coding and English Languages in Young Children: An fNIRS Study
[Appointment Period: 6 months]

The appointee will assist in Exploring The Neural Correlates of Learning Coding and English Languages in Young Children: An fNIRS Study project. The appointee will be responsible for providing support to the project team led by the principal investigator, Professor Li Hui. He/she will assist in and receive training and supervision on (a) planning and conducting data collection and analysis, (b) carrying out literature review, (c) contributing to manuscript writing, and (d) performing any other duties as assigned. The appointment will be for a period of 6 months, with the possibility of renewal upon mutual agreement. The appointee is expected to commence the employment as soon as possible.

Applicants should have a Bachelor's degree, preferably with a Master's degree, in Neuroscience, Psychology, Early Children Education, or above in any disciplines related to child development, psychology, education, and psycholinguistics, with considerable quantitative research experience. They are expected to possess good work ethics, good communication and interpersonal skills, the ability to work independently with initiative and under pressure, a strong sense of responsibility, and proficiency in spoken and written English and Chinese.

For further enquiries about the post, please contact Professor Li Hui at huli@eduhk.hk.

Salary will be commensurate with qualifications and experience. Fringe benefits include leave and outpatient medical benefits.

The University only accepts and considers applications submitted online for this post. Applicants should complete the [online application form](#) and upload a full CV. **Review of applications will start from 10 September 2024, and will continue until the post is filled.** Applications which are incomplete or without the required documents may not be considered. Personal data provided by applicants will be used for recruitment and other employment-related purposes. For details of the Personal Information Collection Statement, please refer to <http://www.eduhk.hk/jobsopp/index.php?glang=en>.

All applications will be treated in strict confidence. Only those who are shortlisted will be contacted. The University reserves the right not to fill the position(s) advertised.
