

**Senior Research Assistant / Research Assistant I (Ref: 2401061)
Research and Development Office (Knowledge Transfer Sub-Office)**

We are looking for a high caliber candidate to join CLAP@JC (“CLAP”), which has entered its second phase for another five-year and is a project initiated by The Hong Kong Jockey Club Charities Trust and co-created by The Education University of Hong Kong (EdUHK). It focuses on fostering a sustainable ecosystem to facilitate youth with their transition from school to work, enabling them to pursue a fulfilling life through cross sector collaborations in school, community and workplace, under the framework of Hong Kong Benchmarks for Career and Life Development (HKBM).

The appointee will be responsible for supporting the research initiatives of a multidisciplinary research team. He/she will be responsible for literature review, data collection and analysis, writing of reports and publications related to CLD education in Hong Kong, compiling project outcomes and carrying out all scheduled studies for the research team supervised by the Project Director and his relevant Research Associates (engaged EdUHK scholars). The appointment will be for a period up to August 2025.

Applicants should possess a Master’s degree in Education, Psychology, Social Sciences or other related disciplines, plus at least one year of post Master’s Degree full-time working experience, or a Doctoral Degree. They should have sound experience in quantitative research methodologies; knowledge in advanced statistical analysis and proficiency in statistical software e.g. SPSS, Amos, Stata, SAS, R. etc. Experience in longitudinal studies and with good publication track record is a plus. Applicants should also have a high level of proficiency in both English and Chinese (including Cantonese), reading and writing; multitasking ability; organization skills; good interpersonal skills; and the ability to work under pressure, independently and as a team member. Applicants with less relevant experience and lower qualifications may be considered for the post of Research Assistant I.

Salary will be commensurate with qualifications and experience.

Initial appointment will be made on a fixed-term contract. Fringe benefits include contract-end gratuity, leave, medical and dental benefits.

The University only accepts and considers applications submitted online for this post. Applicants should complete the [online application form](#) and upload a full CV. **Review of applications will start from 2 October 2024, and will continue until the post is filled.** Applications which are incomplete or without the required documents may not be considered. Personal data provided by applicants will be used for recruitment and other employment-related purposes. For details of the Personal Information Collection Statement, please refer to <http://www.eduhk.hk/jobsopp/index.php?glang=en>.

All applications will be treated in strict confidence. Only those who are shortlisted will be contacted. The University reserves the right not to fill the position(s) advertised.
