

**Senior Research Assistant / Research Assistant I (Ref: 2500480)**  
**Department of Social Sciences and Policy Studies**

**Project title: Developing and evaluating just-in-time adaptive intervention for reducing stress using digital phenotype among dementia caregivers in Hong Kong**

**[Appointment Period: 12 months]**

The appointee will join a research project titled “Developing and evaluating just-in-time adaptive intervention for reducing stress using digital phenotype among dementia caregivers in Hong Kong.” The appointee will undertake the research project in collaboration with the principal investigator and her research team and perform other research-related duties as assigned by the principal investigator. The appointment will be for 12 months, with the possibility of renewal subject to mutual agreement.

For Senior Research Assistant, applicants should have a Master's degree plus one year's post master's degree full-time working experience, or a doctorate. For Research Assistant I, applicants should have a Bachelor's Degree in Data Science, Statistics, or any related field is preferred. Holding a Master's degree and experience in writing research papers with good publication records are advantages. The applicant should have sound experience with quantitative methodologies, and knowledge in statistical analysis software (e.g., R studio, Python). Applicants should have a good command of both written and spoken English and Chinese (including Cantonese), as well as good communication skills and the ability to work independently under pressure. Immediate availability is preferred.

For further enquiries, please contact Assistant Professor, Dr Amanda Chu at [amandachu@eduhk.hk](mailto:amandachu@eduhk.hk).

Salary will be commensurate with qualifications and experience.

Initial appointment will be made on a fixed-term contract. Fringe benefits include contract-end gratuity, leave, medical and dental benefits.

The University only accepts and considers applications submitted online for this post. Applicants should complete the [online application form](#) and upload a full CV. **Review of applications will start from 20 May 2025, and will continue until the post is filled.** Applications which are incomplete or without the required documents may not be considered. Personal data provided by applicants will be used for recruitment and other employment-related purposes. For details of the Personal Information Collection Statement, please refer to <http://www.eduhk.hk/jobsopp/index.php?glang=en>.

All applications will be treated in strict confidence. Only those who are shortlisted will be contacted. The University reserves the right not to fill the position(s) advertised.
